## What is HLM Takaful i-Critical Care?

**HLM Takaful i-Critical Care** offers takaful protection for **10** years. It pays a lump sum Critical Illness (CI) benefit if you are diagnosed with any one of the covered CI. This plan can be renewed for another 10 years of coverage without underwriting, up to a maximum of two (2) renewals subject to the terms of certificate.

Below are the applicable Shariah concepts:

- Tabarru' - Donation from the portion of the contribution that will be allocated to the Participants' Risk Fund (PRF). This is based on the concept of Iltizam Bi Al-Tabarru', which reflects the Participant's commitment to donate.
- Wakalah - Agency contract where the Takaful Operator manages the PRF on behalf of Participants and earns Wakalah Fee for services rendered.
- Ju'alah - Agreement where the Participant rewards the Takaful Operator for successfully managing the PRF and generating surplus. Any surplus from the PRF shall be distributed between eligible Participant and the Takaful Operator in a ratio of 50:50.
- Qard - An interest-free loan provided by the Takaful Operator in the event of a deficit in the PRF.
